Professional Mediation Specialist Certification Training Course

Employees' Compensation Claims Mediation Specialist

This advanced course is designed to develop professional mediators' specialty in employees' compensation (EC) claims mediation. It equips professional mediators with the specialised skills to analyse the mentality, concerns, and needs of all parties (employees, companies, and insurers) in EC claims dispute cases. It strengthens participants' abilities to efficiently plan and facilitate EC claims mediations, reaching a speedy claiming process and the most beneficial outcomes for all parties.

Features of the course

High Recognition

AIDRN is a global academic institute that offers trainings, defines competency standards, and conducts researches and data analysis for dispute resolution and negotiation. AIDRN collaborates with prominent dispute resolution organisations and universities in Hong Kong, Australia, Mainland China and the United Kingdom, providing a strong professional network for participants.

Obtain advanced professional qualification in short period of time

Upon completion of this Course, graduates can apply to be the expert panel at the Hong Kong Mediation Centre (HKMC) or/and International Dispute Resolution and Risk Management Institute (IDRRMI), specialised for the Employees' Compensation Claims.

Professional Development Platform

Both HKMC and IDRRMI provide diversified continuing professional development opportunities and platform to members, including advanced courses, talks, seminars, mediation, case referrals, etc., in so as to help them further develop their mediation profession.
