UNCITRAL at 60: Shifting Paradigms in Global Dispute Resolution and the Road Ahead

The UNCITRAL Asia Pacific Days ("AP Days") series is one of the flagship events of the United Nations Commission on International Trade Law Regional Centre for Asia and the Pacific ('UNCITRAL RCAP"). The AP Days aim to raise awareness of UNCITRAL texts and the importance of legal harmonization amongst law students - the next generation of legal thinkers and policymakers.

With the theme of "UNCITRAL at 60: Shifting Paradigms in Global Dispute Resolution and the Road Ahead", this year's AP Days stays ahead of the curve in global dispute resolution. This seminar will delve into the shifting paradigms of global dispute resolution. Our distinguished guest speaker will explore upcoming trends and analyze the new opportunities and challenges shaping the future of international disputes.
