

UNCITRAL AP DAYS 2023

“Unleashing the Potential of Cross-border Digital Trade”

The UNCITRAL Asia Pacific Days is an annual flagship academic series launched in 2014 by the United Nations Commission on International Trade Law Regional Centre for Asia and the Pacific (“UNCITRAL RCAP”) to commemorate the December 1966 General Assembly resolution establishing UNCITRAL. The AP Days aim at raising awareness of UNCITRAL’s texts and the importance of legal harmonisation amongst law students – the next generation of legal thinkers and policymakers.

This year marks the 5th collaboration between UNCITRAL RCAP, Hong Kong Mediation Centre, the Faculty of Law, the University of Hong Kong and International Dispute Resolution and Risk Management Institute for co-organising this meaningful event. The theme of the seminar is “Unleashing the Potential of Cross-border Digital Trade”. The seminar will explore the unprecedented opportunities brought about by the thriving cross-border digital trade, and will also discuss the strategies for handling commercial activities in electronic form, preparing the practitioners to be better equipped to the era of digital trade.
